

EE459 Embedded Systems Design Lab

Name: _____

Major: _____

Did you take EE109? _____

What things (engineering or otherwise) are you interested in?

What past jobs or internships have you had?

What are your plans after graduation?

Any job offers? What's your dream job if you could have it?

Do you consider yourself a hardware person or a software person, or both?

Ever built things using an embedded processor before (outside of USC classes)?
